Project Details

Enquiry Number	Exxxxxx
Quote Number	EGC0000XXX
Project Number	Xxxxxx

Species Scientific Name	
Reference Genome	
Variant calling	
Library Preparation Protocol	
Total Number of Quoted Samples	

Coverage (X)		# Samples	
Coverage (X)		# Samples	

Acknowledgement Policy

Edinburgh Genomics is an academic facility and our continuing ability to cost recover funding for staff depends in part on our funders being aware of the work we do. Where Clinical Genomics facility staff has directly contributed to collaborative work, co-authorship is expected. For standard sequencing services, we require you to acknowledge use of the facility in resulting publications with the following statement:

"Whole Genome Sequencing was carried out at Edinburgh Genomics, The University of Edinburgh."
